WE LEAD THE WAY IN

Honest Goods and Low Prices

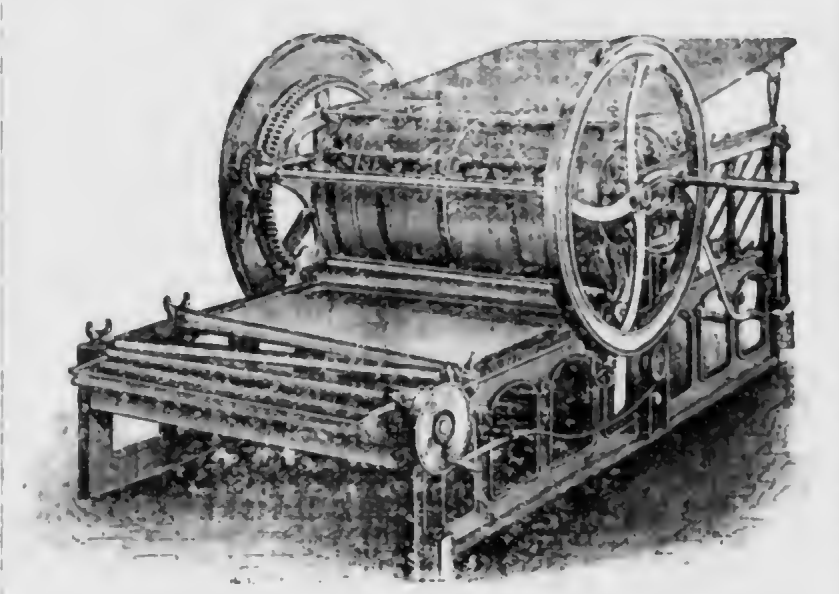

And why not? We manufacture our own stock; we buy the manufactured material, piece goods, direct from the manufacturer and importer, we pay no "middle man" any profit, which all our competitors in Louisville and Hartford do, as they all, every one of them, buy the goods they sell, ready-made in Cincinnati, of the Eastern cities. When we manufacture we know the quality of the material; don't work in the dark, and in selling do not have to place our faith in the words of unscrupulous Eastern manufacturers. The reader of this no doubt has worn Eastern-made clothes and knows what they are. It is J. WINTER & CO.'S aim to have people who deal with them once again. As a proof of the latter, we have customers who deal with us for the last thirty years; a long time indeed, but it is a fact. We have opened our spring goods, in all departments, and call special attention to our fine and large assortment of Spring dressings. They are well cut, well-trimmed, and extremely low in price.

THE HERALD.

WEDNESDAY, APRIL 12, 1882.

PERSONAL.

Mr. Z. Wayne Galtin returned from Louisville last Sunday.

Mr. Kerrie Bowman returned last Saturday from a pleasant visit to Elizabethtown and Litchfield.

Mr. George McLannan, clerk in Anderson's Bazaar, returned from a visit to relatives in South Carolina and Calhoun last week.

Our old friend, Charles Kelley, Esq., ex-Clerk of Butler county, was in town last Saturday shaking hands with old-time friends here. We had the pleasure of a call from him while here.

Thos. Edeken, assisted by C. Z. Smith and James Pence, of Elizabethtown, are employed in fitting up the Bazaar. They are all first-class workmen and put work through when they undertake it.

Mr. B. P. Berryman has sold his house and lot to Mr. W. M. Warfield and will move to the farm below town, bought of H. Elvis Barrett, today and Mr. Warfield will move to the house vacated by Mr. Berryman.

Mr. Thomas J. Stevens, of Beaver Run, Ky., cousin of our popular townsmen, "Dick" Stevens, arrived in our city Monday, and like everybody else who gets a peep at the beautiful scenery surrounding us, has decided to spend the summer here. —*Editorially (See Star).*

Mrs. H. J. Morris, Hartford's milliner, has gone East for the purpose of purchasing her spring stock of millinery. She will return Saturday and will open the first of next week, the finest stock of goods in her line ever seen in Hartford. Wait, ladies, till Mrs. Morris returns and then purchase your spring goods. She will select none but the latest styles.

—Kitt suit for children—ages two to four years—at Anderson's Bazaar.
—A. T. Neill, has opened a saloon in the new building of Thomas S. Duke.
—The highest market price paid for all kinds of country produce at L. H. Ebdson's.
—Thomas Ross has a large lot of salt and lime, salt \$1.75 per barrel, lime \$1.50 per barrel.
—L. H. Ebdson is selling goods as cheap if not cheaper, than any one else in town. Call and see for yourself.
—The thoroughbred Jack, Edipse, will stand at C. L. Field's, 1 mile south of Hartford. Edipse is a black jack, thin boned, large bone and good action.
—Eight dollars to insure mare with foal. Due care taken to prevent accidents, but not responsible for any occurrence—money as soon as mare is castained to be with foal or transferred.
—C. L. Field.

—We are indebted to Mr. A. P. King for three specimens of silver, lead and zinc from New Prospect, Tenn. Mr. King has just returned from that section, and reports the mining interest lively.
—Sol Ebdson, who was shot by Hobbs, at Centerville, on the evening of April 1st, died, on Thursday last week at 5 o'clock. Hobbs has not been heard of since the shooting and it is supposed that he has left the country.
—Health, hope and happiness are restored by the use of Lydia E. Pinkham's Vegetable Compound. It is a positive cure for all those diseases from which women suffer so much. Send to Mrs. Lydia E. Pinkham, 234 Western Avenue, Lynn, Mass., for pamphlets.
—Mrs. Mattie Briggs, received yesterday a box of Hays, Bonnets and Millinery generally, also children's Hats, Flowers, Feathers, Hibs, etc. Please call and examine her stock before you go elsewhere to purchase.
15-24

—Anderson's Bazaar has rented the house formerly occupied by Mr. H. P. Howe and has made two annexes to the partition, throwing the two houses into one. When completed, he will have a Bazaar sure enough. Mr. Anderson is a live merchant and proposes to keep up with the times.
—Messrs. Huck Tweedle and John Wimsatt killed a fine five-point buck near the residence of J. L. Miller, Esq., on Rough creek, on Monday last week. This is the first deer that we have heard of being killed in Ohio county, for some time. The gentlemen are very proud of their achievement.
—The kingdom of the heart in man is frequently ruled over by a heavenly spirit in earthly shape—who yields only the scepter of love, but a revolution takes place about the time of marriage and soon the afore-mentioned spirit gives place to the more domestic and more effective housewife.

—Jake Phillips, an old colored man of the Cool Spring vicinity, was drowned in Spair creek last Friday, while attempting to swim his horse across the stream. He had reached the middle of the stream, when he became frightened and endeavored to turn his horse and go back. The horse reared up and fell backward with him and he sank to rise no more. His remains were found in a drift the next morning some two hundred yards from the scene of the accident.

—In another column will be found the prices given on dry goods, etc., at Anderson's Bazaar this week. It strikes us that our readers should examine them carefully, and if not found to be as cheap as other houses, to buy elsewhere, but if found to be cheaper, then certainly it is their interest to patronize the Bazaar, and as sensible people will certainly do so. In these close times people will look around and buy where they can get anything the cheapest, two dollars saved in a bill of goods is easier made than tolling a whole day in the field, in the shop, over an old-fashioned churn, or a new-fashioned sewing machine. So look around before making your purchases.

—Bright's Disease of the kidneys, diabetes and other diseases of the kidneys and liver, which you are being so frightened about, Hop. Hitters is the only thing that will surely and permanently prevent and cure. All other pretended cures only relieve for a time and then make you many times worse.

—We met W. V. Johnson, of New Hope neighborhood, in town last week. He came to lay in his spring supplies at Anderson's Bazaar, where he bought seventy dollars worth of bargains in about two hours and a half. If Ohio county had a few more such men as W. V. Johnson it would soon be the richest county in the State. Such men are desirable citizens, for though they spend their money freely, they always leave the enterprise to keep their pockets full. Let's have some more Mr. Johnsons.

—Miss California Vineyard, the famous ebullient, arrived in town Monday evening, and gave an entertainment at College Hall yesterday evening. Miss Vineyard comes to us as a married lady in line with few equals and no superiors. The press everywhere notices her most favorably, and the verdict of the people wherever she appears is that she is unsurpassed. She is a graduate of the Boston and Philadelphia schools of oratory. We regret that we cannot give a full report of her entertainment of last evening, but we shall notice it next week.

—The mails are at their old tricks again and it is a mere accident if anything comes right. For several days past the eastern mails have passed by and waited until evening to come in and sometimes until the next day. The western mail is the same, only worse. Of course the fault is with the agent on the road, who is either too careless or too green for the position. We do not know who the present agent is, but he is a most inefficient one, and Mr. Jenks, the superintendent, would, with the gratitude of the people of this place, if he would appoint a man who would or could attend to his business.

—Buy where you can buy the cheapest. If you do that L. H. Ebdson will get your trade.

—The young ladies composing the A. H. U. Society will give a public entertainment at College Hall on Friday evening, April 14.

—Mrs. John Ryan, of Elm Lick, died Sunday morning and was interred at Bethel church on Monday. She was the daughter Mr. J. J. Monroe.

—Green H. Hickory, of Morgantown, former Sheriff of Butler county, died Tuesday last week of pneumonia. Mr. Hickory was a useful citizen of the county and will be greatly missed.

—If the mother is feeble it is impossible that her children should be strong. Lydia E. Pinkham's Vegetable Compound is a perfect specific in all chronic diseases of the sexual system of women. Send to Mrs. Lydia E. Pinkham, 234 Western Avenue, Lynn, Mass., for pamphlets.

—Why will you suffer from Dyspepsia, Indigestion, Loss of Appetite, flatulence, colic and similar complaints, when 25 cents will buy Ball's Digestive Salt from your druggist or grocer? It is used at the table instead of ordinary table salt. See advertisement.

—We call the attention of our readers to the advertisement of J. Monroe Taylor. This house has been built and nearly 40 years, and their goods are celebrated for purity and strength. We would recommend a trial of their Old Medal brand to all who desire superior quality.

—Miss Artelia Howard, sister of Brodie Howard, died at her home near Green Brier church on the 24th ult., of typhoid fever. She was attending school at Calhoun when taken sick, and was removed home. She was an amiable, excellent girl, just budding into womanhood and her untimely death casts a sad gloom over a host of relatives and friends.

—Bright's Disease of the kidneys, diabetes and other diseases of the kidneys and liver, which you are being so frightened about, Hop. Hitters is the only thing that will surely and permanently prevent and cure. All other pretended cures only relieve for a time and then make you many times worse.

—You can find anything in the Grocery, Furniture and Hardware line at L. H. Ebdson's.

—Dr. H. Baldwin, Dentist, of Elizabethtown will be in Hartford on the 13th inst. to remain one week. He will come prepared to execute all kinds of dental work in the very best style. Dr. Baldwin is a dentist of large experience, and those having work to be done could not do better than to consult it to him. His charges are very reasonable.

To worry about my Liver, Kidney or Urinary trouble, especially Bright's Disease or Diabetes, say Hop. Hitters never fails at a cure where a cure is possible. We know this.

We, the undersigned, in co-operation with over fifty others have nominated "Spiller A. N. Brown" for re-election to the office of Magistrate in the Rockport district.

Dr. JACOBSON, E. CHINN, E. CHAPMAN, A. H. HOES, E. W. QUINN, Justices.

A new lot of Furniture has just arrived at L. H. Ebdson's, which will be sold very cheap. Come and examine before buying.

We are selling Fancy Flour at \$3.50 per hundred at the Hartford Water Mills. We have just received a carload of wheat and are expecting a carload of corn daily. We shall then keep full supply of Meal and Chop on hand.

Having just opened a new saddle and harness establishment I am prepared to furnish saddles, bridles, wagon and buggy harness of my own make. Collars, harness, etc., etc., cheaper than they can be bought anywhere else. Repairing of saddles, harness and bugles a specialty. Persons needing anything in my line will please call and examine samples of work. Satisfaction guaranteed.

Horrible and Terrible

A most heinous crime committed in Hartford by Dan F. Tracy, he having branched off into the agricultural machinery business, notwithstanding that other parties had claimed that they were the favored ones in that line, and Tracy now informs the people of Ohio and adjoining counties that he has the best line of implements ever brought to Hartford and the largest in number, to wit: The celebrated DeLorme harrowing machines, such as reapers and mowers, single and combined, front and rear end, the champion sulky plow, Ford and Bradley's sulky, rakes and walking and riding cultivators, also Avery & Co.'s plows, the best in the market. The above work warranted to do good work in all grain and soil, he also continues to manufacture the celebrated Tracy Wagon and drags in all kinds of huggies and spring wagons, both Platform and Express Spring.

Dr. Becker, dentist, is at the Hartford House prepared to do all kinds of dental work. Artificial teeth a specialty. Silver, gold and white fillings from \$1 up. Old plates repaired. Teeth extracted without the use of gas or chloroform. A new process. X-rays, wireless, no pain. Dr. Becker is assisted by Dr. F. C. Sattler. Have your work done at once.
